

Bark & Create

Say Cheese! Doggy Photo Make & Take

Presented by Cindy Kelleher

7 Tips for Great Photos of your Pets with your CAMERA PHONE:

1. Turn OFF Sound & Flash
2. Lighting:
 - Indoors: Turn OFF all lights & open blinds
 - Outdoors: Cloudy days are best, Find shady areas on Sunny days
3. Position Dog
 - Pets can be trained to position for photos
4. Camera Lens
 - Turn phone upside down for shots close to the ground where the lens is
5. Motivators
 - Treats
 - Sounds – High squeaky toy sounds work great!
 - Toys
6. Take lots of Images – Use BURST function if available
7. Reward and Praise your pet with lots of TLC and treats!
